

Year 2 Home Learning Grid: Week 4

Mathematical Development	Language, Literacy & Communication	ICT	Topic
<p>Numbers to 100:</p> <p>Watch the video about showing numbers up to 100 in different ways on BBC Bitesize:</p> <p>https://www.bbc.co.uk/bitesize/articles/z7c7hbk</p> <p>Then click through the slideshow underneath the video to look at the different ways we can show numbers up to 100.</p> <p>Activity Worksheet: Practise showing numbers in different ways using this maths activity. Questions are provided to help you explain your thinking. You may want to use items that you can find in your home to show a number, for example money, pencils or dry pasta.</p> <p>Can you think of other objects you could use to show numbers up to 100? See what you can find in your house or in your garden - get creative!</p> <p>Challenge: Can you show numbers up to 1000 in different ways?</p>	<p>Superhero Day:</p> <p>Tuesday in international Superhero Day. We thought we would think about 'Not all Superheroes wear capes'. Could you think of a superhero, someone who is very important to you or to people in our world. What qualities do they have?</p> <p>Draw a picture of your superhero and write a description of them and why their qualities make them a superhero. Remember to use capital letters and full stops and to form all your letters correctly. Remember to use adjectives to describe may those sentences super!</p> <p>Oracy task: If you could have one super power, what would it be and why? Remember to give reasons for your answers. Some sentence stems to help you:</p> <p>I would like</p> <p>The power I would like.....</p> <p>I think the best power is.....</p> <p>'Because'</p> <p>Can you practise 'I agree/disagree' by asking your families what they would choose?</p> <p>We would love to see these conversations can you film yourself speaking and upload them onto google classroom?</p>	<p>Life Cycle of a Butterfly:</p> <p>Can you use your ICT skills to research the life cycle of a butterfly? You can present your findings using Hwb (Word document, PowerPoint or JIT5) or create a poster using the books given and send us a photo (we'd love to see it).</p> <p>Challenge: Can you create a life cycle of a different animal? What are the differences between them?</p>	<p>May Day Celebrations:</p> <p>May Day is a traditional Celebration of Spring, usually around May 1st. We have a Spring Bank Holiday in the UK. It is tradition for flowers to represent May Day and often people create baskets of flowers and hang them on their doors. You could give this a go if you'd like to. Find out more about May Day in the PowerPoint attached.</p> <p>Beatrice Williams is a Welsh Artist and created 'Maes y Blodau' (attached. Can you recreate the picture using your house and flowers found in your garden? You can even include your favourite flower.</p> <p>Can you learn a Maypole dance?</p>

<p>Symmetry:</p> <p>Watch this video introducing symmetry. https://www.bbc.co.uk/bitesize/clips/ztpyr82</p> <p>Ask an adult to draw one side of a butterfly or use the examples attached. Can you draw the other side of the butterfly to make it symmetrical?</p> <p>Then draw and colour your own symmetrical butterfly. Can you add some patterns on your butterfly as well?</p> <p>In the resources are a range of symmetry tasks for you to choose from. Please share your photos with us, we'd love to see :)</p>	<p>The Very Hungry Caterpillar:</p> <p>Read 'The Very Hungry Caterpillar' if you have it or listen to it being read to you using the links provided in the attached Word document. (English, Welsh, German and Italian versions).</p> <p>Challenge: Can you write a diary of the caterpillar's week? Pretend you are the caterpillar and use sentences like 'Today I felt very hungry...' and 'The strangest thing happened to me today...' Don't forget to label each day with a heading, Monday, Tuesday and so on.</p> <p>Keep your eyes peeled when playing in the garden or whilst out on your daily walk - can you find any caterpillars or butterflies? Where can they be found?</p> <p>Challenge: Can you create a fact file about a species of butterfly?</p>	<p>ICT Caterpillar Game:</p> <p>Can you match the food the hungry caterpillar ate to the right word in different languages? See the resources page for the links.</p> <p>English: https://learningapps.org/display?v=pkftsf4a520</p> <p>Welsh: https://learningapps.org/display?v=px0o5dcv520</p> <p>Italian: https://learningapps.org/display?v=pvdyfds6320</p> <p>German: https://learningapps.org/display?v=pvztzzybt20</p>	<p>Poster to advertise your community/town:</p> <p>Can you create an advertisement to try and encourage people to come to your community?</p> <p>What do you think are the best things about your community? What have you noticed during your walks? Can you create a poster, imovie or try the new Adobe Spark, which is now available on hwb, to advertise your community? You can include pictures, bossy verbs and wow words.</p> <p>Challenge: Can you include videos or photos in your advertisement? Perhaps you can take some photos and videos on your daily walk? We would love to see your lovely faces in them too!</p>
